DUCK FLIGHTING RULES
Season - Sept 1st – 31st Jan

1. A morning flight is 1 hour before dawn and 1 hour after and the evening flight is 1 hour before dusk and 1 hour after. Once the shoot is over you must collect your bag and vacate the area within 30 minutes so as not to disturb other roosting birds.
2. You must stay on your allocated hide and not wander around the farm land.
3. Please ensure you park on the allocated area for duck shooting and walk to your hide.
4. You must be accompanied by a trained dog (no puppies) to retrieve ducks. Only members are permitted to be at the hides.
5. **You must keep your guns in there slips/case until you reach your designated hide.**
6. **All cartridges / litter are to be collected and taken home with you at the end of your flight.**
7. **You must only use a non-toxic shot. It is against the LAW to use lead.**
8. You may only book duck flighting up to 1 week in advance.
9. We ask members to keep a record of your bag shot during the season and let us know your total at the end of the season. (This helps us prepare for the following years season)

Country Sports, nor the owners nor the employees nor the land holders will be held liable for any injury sustained and or loss of property however so caused.

Failure to adhere to these rules will result in your membership being revoked.
