

MAJORS LAKES ANGLING CLUB

185 ASHFORD ROAD, BEARSTED, KENT, ME14 4NE (OPPOSITE THE OTHAM LANE TURNING)

The lakes are situated in a beautiful five-acre woodland site which has been fully landscaped and fenced. There is plenty of parking on site and access is only available via a locked gate giving maximum security to members.

The lakes were constructed in 1984 as a duck shoot. In 1998 the lakes were completely drained and when refilled with water the deepest part was 14 feet with depths varying from 4 feet upwards around the edge of the lakes.

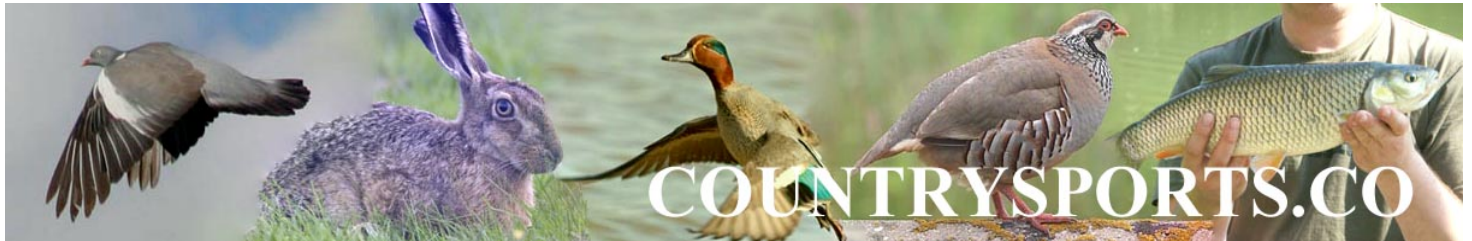

Our Lakes contain Carp up to 25lbs, Tench and Roach, Perch, and Bream there are also many other species including Stillwater Barbel and Stillwater Chub.
